TECHNICAL DATA SHEET

CBON-2 Bonus Tape

Product description	Buff polypropylene packing tapes on a reduced-diameter core to give longer
	roll length and reduce roll change frequency and storage requirements.
Product codes	
~ colour	clear
~ adhesive	hot melt
~ uullesive	not meit
Specifications	
~ roll width	50mm
~ roll length	200mtr
~ backing type	polypropylene
~ backing thickness	25mu
~ adhesive thickness	20mu
Technical data	
~ elongation at break	0.73
~ tensile strength	140N/25mm²
~ adhesion to steel	4.5N/25mm ²
~ temperature resistance	maximum + 60°C
Dispenser	SBTD50
