CSP50 Polypropylene Packing Tape

Product description	Self-adhesive polypropylene tape for general packing applications
Product data	
~ tape material	Polypropylene
~ colour	Clear
~ adhesive type	Solvent
~ roll width	48mm
~ roll length	66mtr
~ tape thickness	30mu
~ total thickness inc. adhesive	50mu
Technical data	
~ tensile strength	144N/25mm
~ elongation at break	75%
~ adhesion to steel	4.5N/25mm
~ temperature resistance	60°C
Packaging data	
~ rolls per case	36
