

# TECHNICAL DATA SHEET

## ECO50 Self-Adhesive Kraft Paper Tape

<b>Product description</b>	Kraft paper carton sealing tape for general packaging applications, offering good adhesion and hand-tearable properties
<b>Product data</b>	
~ tape material	Natural kraft paper
~ tape colour	brown
~ tape weight	57gsm
~ tape thickness	89mu
~ adhesive	dry natural rubber based
~ roll width	25mm ( $\pm$ 1.5mm)
~ roll length	50mtr ( $\pm$ 2.5%)
<b>Technical data</b>	
~adhesion to steel	3.25N/25mm
~ tensile strength MD	85N/25mm
~ shear	-
~ elongation at break	7%
~ temperature resistance	60°C
<b>Storage data</b>	
~ ambience	23°C, 50% relative humidity, away from direct sunlight
~ protection	Avoid damage to roll, especially edge cuts Keep in original packaging and avoid heavy stacking and impact
~ shelf life	12 months in above conditions
<b>Usage data</b>	
~ ambience	If stored below 10°C must be conditioned to 10-40°C before use
<b>Packaging data</b>	
~ rolls per case	72
~ case weight	9.4kg
