PT150 Documents Enclosed Pouch Tape

Product description	Pouch Tape is more cost-effective, faster to use in a busy environment and produces less packaging waste than traditional Documents Enclosed wallets. The pouches are created from a single layer of non-adhesive film with a border of adhesive surrounding the pouch area. This eliminates the need for a dual film layer or peelable backing sheet.

Product data

~ print	DOCUMENTS ENCLOSED message in red border design
~ film	clear LDPE
~ pouch size	144 x 200mm
~ pouches per roll	330 (approx.)
~ roll width	150mm
~ roll diameter	100mm
~ roll weight	0.46kg

Packaging data

~ rolls per case	12
~ case weight	5.4kg
~ case dimensions	326 x 226 x 302mm
