## TECHNICAL DATA SHEET

## YCP50 Polypropylene Packing Tape

| Product description      | Coloured polypropylene packing tape, useful for colour-coding during production etc. |
|--------------------------|--|
| Product data             |  |
| ~ colour                 | Yellow   |
| ~ film                   | White polypropylene  |
| ~ film thickness         | 28mu   |
| ~ adhesive               | Acrylic  |
| ~ adhesive thickness     | 20mu   |
| ~ core internal diameter | 76mm   |
| ~ roll width             | 50mm   |
| ~ roll length            | 66mtr  |
| Packaging data           |  |
| ~ rolls per case         | 36   |
| ~ case weight            | 6.65kg   |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
|                          |  |
